

Our Sister's Closet

A program of the YWCA Enterprise Center

Our Sister's Closet is a program of the YWCA that gives work-appropriate clothing to women to support their employment process. We make clothing available at no charge to women who need to attend a job interview, submit an employment application or start a job.

- We work with over forty referral agencies in the Albuquerque area who utilize the services of Our Sister's Closet in order to meet their client's needs.
- We serve approximately 300 women per year.
- We receive clean, gently used professional clothing from hundreds of generous donors each year.
- Our services assist hundreds of women in overcoming a barrier to employment in order to become more economically independent.
- Clients receive a voucher from a referral agency to use Our Sister's Closet. Once a voucher is issued, to schedule an appointment contact us at: YWCA 254-9922 ext. 107
