

Community Outreach Committee
to host
Big Brothers Big Sisters of Central New Mexico
at November Dinner Meeting.

“Inspire a child to dream!”

When you support this unique mentoring program, you help children and teens to dream big, and to have hopes and aspirations that may have never seemed possible.

Come to the NAWBO meeting on November 18 to learn more about the Big Brothers Big Sisters’ programs and their impact on decreasing drug use and truancy, improving school attendance and achievement, and to enhance family relationships. Donations will be collected in December.

BBBS can use assistance in several areas, including volunteering for special events, donations of boxes of snack foods for regular volunteer training sessions, gifts toward the purchase of foods like pizza and soda, as well as prizes for parties, and door prizes / silent auction items for fundraisers.

Our committee liked this request best of all!

Donations of cash or gift cards & certificates to all sorts of fun places for the “BIGS” to take their “LITTLES”. The BIGS pay for all the activities and appreciate your help. Let your imagination go with this idea! To get started, consider one-time activities, or season passes to:

the zoo / biopark
sporting events
plays
museums
restaurant meals

Hobby Lobby (for arts & crafts supplies)
nail salons (for older girls)
fun places like IT'Z, Hinkle Family Fun Center, Cliff's, and Putt-Putt
and more!

Plan now to give, and “do something BIG for someone who is LITTLE!
