

Dear Prospective Member,

It's my pleasure to tell you a little about the Northern New Mexico Chapter of the National Association of Women Business Owners (NAWBO-NNM). Membership is open to men or women who are sole proprietors, partners, and corporate shareholders with day-to-day management responsibility. Our organization also offers a corporate partner and an affiliate program for people and organizations that wish to support and connect with women business owners.

NAWBO's primary purpose is to support our members and their businesses. The Northern New Mexico Chapter of NAWBO is comprised of business of all sizes, from sole proprietorships to some of the largest women owned businesses in the state. We represent every industry including construction, retail, high-tech, not-for-profit, professional firms, and service providers.

To connect with other business owners and experience the NAWBO advantage, please come to our next monthly meeting, typically held on the third Wednesday of the month, at the Embassy Suites on Lomas, just west of 1-25. (Check the website for exact details: [www.nawbonm.org](http://www.nawbonm.org))

Let NAWBO be your forum to forge alliances, break down barriers, and build your business by:

- Strengthening the resources available to you and your business
- Creating a community of women representing every industry on a local and national level
- Building affiliations with local, state, and national corporate partners and affiliates
- Transforming your single voice into one that influences economic and public policy

To learn more about NAWBO and our chapter, do not hesitate to contact me at 505-307-2906.

We look forward to welcoming you as a member!

Sincerely,

Donna J. Luke
