

Platinum Member Application & Invoice

The NAWBO-NNM Platinum Member program was founded several years ago as a way for long-time members to give back to the organization that helped them grow their businesses. It is open to any chapter member who has completed at least one year of membership.

Platinum Member support has enabled our Chapter leaders to attend National meetings for the last four years, where we learn best practices, participate in leadership seminars, and interact with other chapters for new ideas. This participation was key to our receiving Healthy Chapter in 2003 and Silver Chapter designation in 2004 from National.

Also at National meetings, our council representatives for Membership, Public Policy and Corporate & Economic Development (CEDC) discuss and vote on major NAWBO issues, including our national public policy platform, the manner in which NAWBO is governed, and other decisions that help NAWBO grow. In turn, the National prominence of NAWBO gives us more "clout" in the local business community and with New Mexico government.

Continuing our leadership development depends on the Platinum Member contributions.

Yes, I want to be a Platinum Member!

- New membership Renewal

Name _____ Company _____

Mailing Address _____ City & Zip Code _____

Phone _____ Fax _____

Email _____ Website _____

Please describe your services/expertise/ideal clients (attach an additional sheet if necessary). This description will become the basis for your profile in the chapter newsletter.
